Lesson 5: State Utility Assistance

- **Low-Income Home Energy Assistance Program (LIHEAP)**
- LIHEAP is a federally funded program operated by the Arizona Department of Economic Security (ADES). This program helps qualified households pay their heating and cooling bills. Households may receive up to \$1,200 per year as a standard LIHEAP benefit, and an additional \$1,000 crisis benefit is available for those experiencing an energy crisis.

Lesson 7: Payment Arrangements

- If you have a past-due balance of \$75 or more on your bill, then you could qualify for a payment arrangement. Payment arrangements are a way for customers to have more time to pay past-due balances to avoid disconnection of service, by spreading out the balance over a set period.
- You can set a payment arrangement for one to 12 months. Your payment arrangement amount is calculated by dividing your past-due balance over the time you are behind.
