Glossary of terms:

- 1 Customer account charge**—The minimum charge for having service available, whether you used electricity or not.
- 2 Delivery service charge**—A charge, based on your kWh usage and/or kW demand, to build and operate the equipment for delivering electricity to your home, including lines, poles, transformers and substations.
- 3 Environmental benefits surcharge**—A charge to cover the costs of programs approved by the Arizona Corporation Commission, including energy efficiency and renewable energy projects.
- 4 Federal environmental improvement surcharge***—A charge to recover a portion of the cost of investments and expenses for environmental improvements at APS's generation facilities designed to comply with environmental standards mandated by federal laws or regulations.
- 5 Systems benefits charge**—A charge to cover the costs of programs approved by the Arizona Corporation Commission, including low-income assistance, demand side management, customer education, environmental, renewables, long-term public benefit research and development, nuclear fuel disposal and nuclear power plant decommissioning programs as well as other programs approved by the Commission.
- 6 Power supply adjustment**—An adjustment mechanism to recover fluctuations in fuel and purchased power costs.
- 7 Metering**—A charge for providing and servicing the meter.
- 8 Meter reading**—A fixed fee to determine your energy use.
- 9 Billing**—The cost of calculating and providing your monthly statement.
- 10 Generation of electricity**—The cost of producing the electricity you used this month.
- 11 Federal transmission and ancillary services**—The cost for moving high voltage electricity from generating facilities and other sources to the APS distribution lines.
- 12 Federal transmission cost adjustment**—A cost, based on your kWh usage, to adjust for annual charges in transmission-related costs procured to serve retail customers.
- 13 LFCR adjustor**—A charge to recover fixed costs of providing service, such as power poles, wires, and other delivery infrastructure, that are lost due to mandated energy efficiency and rooftop solar.
- 14 Regulatory assessment**—A cost imposed on customers of state-regulated utilities to help fund the Arizona Corporation Commission and Residential Utility Consumer's Office.
- 15 Franchise fee**—A charge by a municipality for APS's use of the public rights-of-way for its facilities.

*As of March 8, 2024, this adjustor will no longer appear on bills.
